SCOOTER DVD ORDER FORM

FOR GOVERNMENT USE ONLY

Does your governing council allow non-licensed operators of motorized scooters to operate in your jurisdiction? If so, this DVD has everything you need to get started.

The DVD includes MS Word documents that contain a sample city ordinance, test documents, safety tips, a summary sheet for your web site and the safety scooter video. All attachments are formatted for easy insertion of your government's name and logos. The video was created to be applicable to any jurisdiction.

By ordering this DVD produced by the City of Richardson, your jurisdiction can have the tools to make scooter safety a top priority.

All scooter operators must comply with all local laws and regulations.

To order your Motorized Scooter Safety DVD, complete this order form and include a check for \$35 (taxes, s/h included) made out to:
